Attendance Toolkit

Working together to improve attendance.

Introduction

This toolkit has been put together in collaboration with colleagues across Chiltern Learning Trust (CLT) and reflects the Department for Education's statutory guidance 'Working together to improve school attendance' (July 2026). It is designed to encourage consistency across CLT schools in promoting good attendance and reducing absence.

4 | Roles and Responsibilities

4.1 Chiltern Learning Trust

- The Trust will continue to recognise the importance of attendance and ensure it is always discussed with school leaders, including evaluating school processes to ensure they meet the needs of pupils.
- The Trust is responsible for offering a template attendance policy and ensure all schools have an up to date attendance policy.
- The Trust will discuss and hold the Headteacher to account for all school wide elements outlined in this document.

- The Trust will continue to ensure school leaders fulfil expectations and statutory duties.
- The Trust will review attendance data and trends at Trust level, offering CPD to relevant leaders focusing on particular cohorts and sub groups.
- The Trust will monitor attendance patterns, identify common issues/barriers and share effective practice on attendance management and improvement across schools.
- The Trust will support schools in the development of comprehensive action plans, for review, where attendance data is not adequate or improving.

4.2 The Local Governing Body

- The LGB is responsible for approving local adaptations to the CLT template policy and monitoring its implementation and effectiveness.
- The LGB is responsible for monitoring attendance figures for the whole school at least 6 times a year. It also holds the Headteacher to account for the implementation of the attendance policy.

4.3 The Headteacher

- The Headteacher is responsible for ensuring this policy is implemented consistently across the academy, and for monitoring academy-level absence data and reporting it to the LGB.
- The Headteacher also supports other staff in monitoring the attendance of individual pupils and requests penalty notices, where necessary.

4.4 Senior Attendance Champion

- Have a deep and clear understanding of attendance by group, such as gender, pupils entitled to Free School Meals, Pupil Premium pupils, pupils with SEND, Children in Care and attendance by Ethnicity and Language (English/EAL).
- Reward and act to improve the attendance of pupils that may fall into smaller groups, or the attendance of individual pupils with protected characteristics, such as pupils who do not identify with their gender assigned at birth, pupils who are gay or bisexual, pregnant pupils and pupils who are young parents.
- Ensure staff are clear about their roles and responsibilities in relation to attendance and have the required knowledge and skills to fulfil them.
- Regularly review the academy's attendance procedures – strengths and weaknesses, including seeking feedback from the attendance team; highlighting key issues with the Headteacher. Setting a clear vision for improving and maintaining attendance.

4.5 Attendance Team - The Attendance Team consists of the Head of School (DSL) and Family Support Workers (DDSLs)

- Meet as a team at least fortnightly to monitor and review attendance across the school – for individual pupils, vulnerable groups and the whole academy.
- Identify pupils whose attendance is a cause for concern and put attendance interventions in place as necessary.
- Involve class teachers and other relevant staff and coordinate meetings with parents/ carers. Where considered necessary a formal action plan will be produced.
- Report concerns about attendance to the Headteacher as appropriate.
- Arranges calls and meetings with parents/carers to discuss attendance issues.
- Coordinate requests for Term-time Leave of Absence, liaising with the Headteacher as necessary.
- Make Children Missing Education (CME) referrals to the Local Authority where appropriate.
- Take any attendance concerns to the wider safeguarding team at their Safeguarding meetings
- Be the point of contact for parents/carers who have their own concerns about their child's attendance and will meet with parents/carers as and when necessary, share attendance concerns and draw up attendance plans as necessary. The FSWs will also liaise with external agencies and make referrals as required.

4.6 Attendance Administrator

- Ensure that the daily registers are completed accurately and on time, recording the reasons for absences

and reporting any concerns or patterns of absence to the Attendance Team.

4.7 Office Staff

- Take calls from parents/carers about absence and record the information on the school (school) information management system (Bromcom).

4.8 Special Educational Needs Co-ordinator (SENCO)

- Meet with the School Attendance Officer/Team to review the attendance of the pupils on the academy's Vulnerable List/SEND Register and agreeing any action needed.

4.9 Class Teachers

- Record their children's attendance on a daily basis, using the correct codes, and submitting this information to the school office.
- Where there are attendance concerns, either raised by the class teacher themselves or by the Attendance Team, they will 'check-in' with the child to find out about any reasons for absence as part of their responsibilities under the school's Safeguarding Policy.

Class teachers may also be asked to meet with parents/carers whose child has a falling level of attendance and is flagged as a concern by the Attendance Team. **8**

5 | Data Protection Implications

5.1 The personal information the school uses to help manage attendance and absence is governed by the UK GDPR and Data Protection Act 2018. Much of this information will be sensitive, to both pupils and their parents/ carers, and staff must take care to apply appropriate safeguards to ensure personal information is processed fairly and lawfully, is the minimum amount necessary to achieve our aims, is accurate, and where necessary, kept up to date, is not held for longer than is necessary and remains safe and secure.

5.2 Staff must record personal information accurately, being clear whether something is an opinion, reported by someone else, or fact. It is also important to remember that pupils and parents/carers can ask to see copies of the personal information the school holds about them.

5.3 Staff should share relevant information and work collaboratively with other schools, local authorities and external partners to target support at persistently absent (below 90%) and severely absent (below 50%) pupils (including those at risk of becoming persistent or severe). Schools should also inform a pupil's social worker and/or youth offending team worker if there are unexplained absences from school.

6 | Aims

6.1 Wootton Primary School aims to meet its obligations with regard to school attendance by promoting good attendance; ensuring every pupil has access to the full-time education to which they are entitled; and acting early to address patterns of absence.

6.2 This policy sets out the schools position on attendance and details the procedures that all parents / carers must follow to report their child absent from the academy.

6.3 It is vital that children develop regular attendance habits at an early age. Therefore, the school will encourage parents/carers of Pre-School children, and Reception children who are not yet compulsory school age, to send their children to every session that is available to them. If the child is unable to attend the school for any reason, the parent/carer should inform the school of the reason on the first day of absence. If the school is concerned about a pupil's attendance for any reason, the school will contact the parent/carer to discuss the matter, in the first instance.

6.4 The school will also support parents/carers to perform their legal duty to ensure their children of

compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

6.5 Pupils should attend the school every day, unless they are really not well enough to. Children who attend regularly are more likely to feel settled in school, maintain friendships, keep up with their learning and gain the greatest benefit from their education. The school wants all pupils to enjoy school, grow up to become emotionally resilient, confident and competent adults who are able to realise their full potential. Regular attendance and punctuality are essential in the workplace and children who are used to attending school on time, and on every occasion, unless they are too unwell to attend, will be better prepared for the attendance expectations in the workplace.

6.6 In April 2017 the Supreme Court clarified the definition of regular attendance to be attendance “in accordance with the rules prescribed by the school”, therefore if an absence is not authorised by the academy, the pupil’s attendance is deemed to be irregular.

6.7 The school will do all it can to encourage pupils to attend. The school will make the best provision it can for any pupil who needs additional support in school or who is prevented from attending school, due to physical or mental health needs or disability. The school recognises that for disabled pupils, ‘reasonable adjustments’ may be needed to the school environment or to policies to support good attendance. Please see DfE guidance documents [‘Supporting pupils at school with medical conditions - December 2015’](#) and [‘Arranging education for children who cannot attend school because of health needs - Dec 2023’](#) or ask the school for printed copies.

6.8 One of the most important factors in promoting good attendance is the development of positive attitudes towards school. To this end, the school strives to provide a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents/carers.

6.9 By promoting good attendance and punctuality the school aims to:

- Make good attendance and punctuality a priority for all those involved in the school community
- Raise pupils’ awareness of the importance of good attendance and punctuality
- Provide support, advice and guidance to parents/carers, pupils and staff
- Work in partnership with parents/carers and, where appropriate, the wider family

7 | Effects of non-attendance

7.1 Any absence affects the pattern of a child’s schooling and regular absence may seriously affect their learning. The Department for Education (DfE) defines a pupil as a ‘persistent absentee’ when they miss 10% or more schooling across the school year, for whatever reason. Furthermore the DfE defines a pupil as a ‘severe absentee’ when they miss 50% or more schooling across the school year, for whatever reason.

7.2 The table below indicates how what might seem like just a few days of absence can result in children missing a significant number of lessons.

Attendance during school year	Days lost in a year	Which is approximately	Approximate number of lessons missed
95%	9.5 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons

50%

95 days

20 weeks

500 lessons

Safeguarding and Attendance

8.1 The school will monitor trends and patterns of absence for all pupils as a part of its standard procedures. However, it is recognised that sudden or gradual changes in a pupil's attendance may indicate additional or more extreme safeguarding issues. In line with government guidance [Keeping Children Safe in Education](#), Local Procedures and the Academy's Safeguarding Policy, staff will investigate and report any suspected safeguarding cases on to the relevant authorities. As part of the academy's safeguarding duty and standard procedures, staff will inform the Local Authority and/or the Police of the details of any pupil who is absent from school when they cannot establish their whereabouts and are concerned for the pupil's welfare.

8.2 If a pupil is not attending as required, where the school deems it appropriate, staff may make home visits to see and speak to the pupil and parents/carers as part of the academy's safeguarding and attendance processes.

If staff are unable to see and speak to the pupil and parents/carers, they may contact the pupil's emergency contacts and/or other professionals or contacts of the family, who they reasonably expect may be able to provide the school with relevant information. Where relevant, appropriate staff will therefore contact a pupil's social worker and/or members of the youth offending team if there are unexplained absences from school.

Contents of Attendance Register

The law states that schools must take the attendance register at the start of the first session of each school day and once during the second session. On each occasion the school must record whether each pupil is:

- Present;
- Absent;
- Attending an approved educational activity; or
- Unable to attend due to exceptional circumstances.

9 | Present at School (and Lateness)

9.1 Pupils are marked present if they are in the school when the register is taken. The school takes its attendance register at the start of each morning session and once during each afternoon session, at the same time for all registered pupils. If a pupil leaves the school premises after registration, they are still counted as present for statistical purposes.

9.2 It is the duty of parents/carers to ensure that children attend school on time. This encourages habits of good timekeeping and lessens any possible classroom disruption. However, it is also recognised that pupils are sometimes late due to reasons such as caring for parents/carers or siblings, or transport difficulties.

9.3 If a pupil starts arriving late to the school on a regular basis, the school will work with the pupil and family to find out why the pupil is late and whether any support is needed for the pupil or family, in order to support the pupil to attend on time.

9.4 The Heads of School and / or Family Support Workers will meet with parents/carers of pupils who are frequently late, to further investigate reasons for lateness and discuss solutions to enable more punctual attendance.

9.5 Morning registration

- Our pupils must arrive on time each school day. The table below sets out the start times for different year groups and each site.

	Harris Way (R, Yr1, Yr2)	Bedford Road (Yrs 3-6)	Pre - school
Breakfast Club	8am	8am	N/A
School doors open	Reception - 8.30am Years 1 and 2 - 8.40am	8.45am	8.30am
Registration	Reception 8.40am Years 1 and 2 - 8.50am	9.00am	From 9:00am
Children marked as late (L Code)	8:55am - 9:15am	9:10am - 9:30am	N/A
REGISTERS CLOSE Unauthorised absence recorded (U Code)	After 9:15am	After 9:30am	N/A
Afternoon Registration	Reception/Year 1 - 1pm Year 2 - 1.15pm	1pm (Years 3 &4) 1:15pm (Years 5 & 6)	PM starts 12.20
End of the day	Reception - 3pm Years 1 and 2 - 3.15pm	3.30pm	3.20pm
After School Club	3.15pm - 5.30pm	3.30pm - 5.45pm	N/A

- Pupils arriving after the register is taken will be marked as late (L) – which still counts as present. See DfE Attendance Codes – Appendix One.
- If a pupil arrives after the close of registration, they will be marked with the unauthorised absence code 'Late after registers close' (U) for the morning session. (See 'Unauthorised Absence' section for more information on unauthorised absences.) If a pupil arrives late after the registers close due to a valid reason, such as an unavoidable medical appointment, their absence will be marked with the appropriate authorised absence code.

9.6 Afternoon registration

- The afternoon register is taken at 1pm (Rec, Year 1, 3 and 4) or 1:15pm (Year 2, 5 and 6 and will be kept open for five minutes.
- If a pupil has been out of school during the morning and/or lunchtime session due to a valid reason and arrives at school after the afternoon register, their absence will be marked with the appropriate authorised absence code.

10 | Effects of Late Arrival

10.1 When a pupil arrives late to the academy, they miss important events like assembly, teacher instructions and introductions; this can seriously disadvantage pupils. The table below indicates how frequent lateness can add up to a considerable amount of learning being lost.

Minutes late per day	Days of teaching lost in one year	Number of lessons missed
5 mins	3 days	15 lessons

10 mins	6 days	30 lessons
15 mins	9 days	45 lessons

11. Authorised Absence

11.1 'Authorised absence' means that the school has either given approval in advance for a pupil of compulsory school age to be away from the school or has accepted an explanation offered afterwards as justification for absence. The following information outlines the main circumstances where absence may be authorised by the academy.

11.2 Illness

- In most cases, absences for illness which are reported by following the academy's absence reporting procedures will be authorised. That is unless the school has a genuine concern about the authenticity of the illness.
- The school follows the [Working together to improve school attendance](#), which states that if the authenticity of the illness is in doubt, the school may ask the parent/carer to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. The school will not ask for medical evidence unnecessarily. In some instances, the school may ask the parent/carer to obtain a letter from a GP, or seek parental permission to contact the pupil's GP directly.
- If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.
- Where a pupil has a high level and/or frequency of absence, the school may require suitable evidence in order to authorise any future absence where illness has been given as the reason. If this is the case, the school will make the parent/carer(s) aware of this expectation in advance.
- The reporting of absence due to illness remains the responsibility of the parent/carer. Absences due to illness which have not been reported to the school by the parent/carer on the first and any subsequent days of absence may not be authorised.

11.3 Pupils taken ill during the school day

If a pupil needs to be sent home due to illness, this should be by agreement with an appropriately authorised member of school staff. In such circumstances, the pupil must be collected from the school office by a parent/carer or another authorised adult (unless otherwise agreed between the school and the parent/carer) and signed out in the 'signing out' book. No pupil will be allowed to leave the school site without parent/carer confirmation.

11.4 Medical/Dental Appointments

- Parents/carers should try to make appointments outside of school hours wherever possible. Where appointments during the school day are unavoidable, the pupil should only be absent for the minimum amount of time necessary for the appointment. It is not acceptable for a pupil to miss a whole day for an appointment, unless absolutely necessary, in which case the school will need an explanation as to why this is. The school recognises that pupils with a health condition may have a higher number of medical appointments than other pupils and it is therefore possible that at least some of these appointments may be during the school day.
- If a pupil must attend a medical appointment during the school day, they must be collected from the school office by the parent/carer or another authorised adult and signed out on the screen. No pupil will be allowed to leave the school site without parent/carer confirmation.

- Advance notice is required for medical or dental appointments, unless it is an emergency appointment. Parents/carers should also provide the school with sight of, or a copy of, the appointment card, letter or message.

11.5 Religious Observance

- Wootton Primary School acknowledges the multi-faith nature of the school community and recognises that religious festivals sometimes fall outside of school holidays or weekends.
- In accordance with the law, the school will authorise one day's absence for a day exclusively set apart for religious observance by the religious body to which the parent/carer belongs – this will be marked with the **R** code. In line with [Working together to improve school attendance](#), if necessary, the school will seek advice from the parent/carer's religious body, about whether it has set the day apart for religious observance.
- Parents/carers should notify the school in advance that their child will be absent for religious observance by completing a leave of absence form, so that the school knows whether to expect the pupil into school or not.
- If a parent/carer would like their child to be absent for an additional day around a religious observance, they should contact the school. The school will consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If additional absence is authorised, this would be marked with the **C** code.
- The school will ensure a pupil is not penalised for absence due to days of Religious Observance, for example if using attendance rewards.

11.6 Traveller Absence

- The Education Act 1996 includes specific reference to the school attendance of children "of no fixed abode". This law applies when a child is unable to attend school because they are travelling with their parent/carer "who is engaged in a trade or business of such a nature as to require [the parent/carer] to travel from place to place". This is subject to certain limits, depending on the child's age and number of sessions absent.
- [Working together to improve school attendance](#) explains that a number of different groups are covered by the generic term Traveller – Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers.
- The school will discuss requests for absence individually with parents/carers as necessary. Parents/carers should let the school know of their plans as far in advance as possible.
- To help ensure continuity of education for children from the above groups, wherever possible the child should attend school elsewhere when their family is travelling for occupational purposes. In which case, the child will be dual registered at the school they are attending and at this academy, which is their 'main school'.
- The **T** code, which is an authorised absence, should be used for pupils when Traveller families are known to be travelling for occupational purposes and have agreed this with the school but it is not known whether the pupil is attending another educational provision.
- Children from these groups whose families do not travel for occupational purposes are subject to the same rules as other children in terms of the requirement to attend school regularly.

11.7 Exclusions

- If the school decides to send a pupil home due to their behaviour, this will be recorded as an Exclusion. The school will follow the [DfE's Suspension and permanent exclusion guidance](#).
- Any exclusion must be agreed by the Headteacher.
- The school will notify the parents/carers of the exclusion. If the pupil is a Child in Care, the school will notify

the pupil's carer, social worker and the Local Authority's Virtual School. In other instances, where a pupil is open to Children's Social Care for any reason, the school will also inform the pupil's allocated social worker.

- The pupil must be collected from the school office by the parent/carer or another authorised adult and signed out. No pupil will be allowed to leave the school site without parent/ carer confirmation.

12 | Absence Reporting and Response

12.1 First Day of Absence Reporting

Parents/carers are expected to notify the school of the reason for their child's absence on each day of absence.

If a pupil is absent due to illness which lasts more than one day, the parent/carer should contact the school each day to provide an update, unless otherwise agreed by the school.

If a pupil is absent due to illness or any other reason, parents/carers should notify the school of the absence as early as possible. This should be before 9am on the day of absence and include the specific reason ('unwell' is not sufficient).

Parents/carers can notify the school by phone, using the school telephone number of 01234 768239. When leaving a message, parents/carers must state the pupil's full name, class and specific reason for absence. Parents/carers can also notify the school by email or by a personal visit to either School Office (via an adult.)

The school may contact parents/carers to discuss a pupil's absence in more detail.

In some cases, the school may require parents/carers to report absence in a different way – if this is the case, the school will contact parents/carers to explain this requirement.

12.2 First Day of Absence Response

If no contact has been made with the school by 10 am on the first day of absence, the school office will follow up the absence by phoning the parents/carers. If the parents/carers cannot be contacted by phone, the school will phone the pupil's emergency contacts, in priority order. Priority will be given where there is additional support in place, or where pupils are considered more vulnerable. e.g. Children in Care; children on Child in Need or Child Protection Plans; children who have previously been reported missing; and children where there are, or have been, concerns regarding attendance.

A list is kept in the school office of pupils who walk to the school on their own and if they don't arrive, and the school has not been notified of the reason for absence, parents/carers are contacted as a priority. Parents/carers who wish to add their child to this list should speak to staff in the Bedford Road school office.

If the school is unable to establish why the pupil is absent and/or is concerned for the welfare of the pupil, staff may complete a Welfare Check at the family home or request a Welfare Check from the police.

12.3 Pre-agreed absence

Parents/carers are not required to contact the school on the day of an absence if the parent/carer has already formally notified the school prior to the day of absence and the absence has been agreed in advance. For example, a planned hospital appointment or an exceptional term time leave of absence which has already been agreed by the Headteacher in writing.

12.4 Emergency Contacts

DfE guidance stipulates that 'where reasonably practicable, schools should hold an emergency contact for more than one person for each pupil' (*Working together to improve attendance*, August 2024)

Upon enrolling their child in Wootton Primary School, parents/carers are asked to supply details of at least three other adults who can be contacted in an emergency. It is the responsibility of parents/carers to keep

these contact details up to date by communicating with the school office. The school will also remind parents/carers about this.

13 | Following up Unexplained Absences

13.1 The school will follow up any absences where the parent/carer has not made contact to explain the reason. Following up on unexplained absences can take up a considerable amount of school resources, therefore, the school expects parents/carers to report all absences. If a parent/carer does not contact the school on the morning of each absence, the absence may not be authorised, unless the school is satisfied there is a good reason why the pupil is unable to attend and why the parent/carer was not able to contact the school by the required time on the day of absence.

13.2 When the school establishes the reason for the absence, it will be marked as authorised or unauthorised depending on the reason. If the school is unable to establish the reason for absence, having followed the academy's attendance procedures, the absence will be marked as unauthorised, using the **O** code. Where the reason for absence is subsequently established, the correct code will be entered as soon as possible, and in any event no later than 5 working days after the session.

13.3 If a pupil is not attending and the school is unable to establish the reason why and/or confirm the pupil's whereabouts, the school will take appropriate action which will depend on the circumstances of each case. This could include, but is not limited to: contacting the pupil's emergency contacts, or other contacts of the family who the school reasonably expect may be able to advise of the pupil's whereabouts; contacting other professionals; contacting siblings' schools; home visits to the family address; making enquiries with neighbours; requesting a Welfare Check from the police; and making referrals to Children's Social Care.

14 | Rewarding Good and Improved Attendance

14.1 The school recognises that rewarding good and improved attendance should be carefully considered in order to ensure it does not make pupils who have poor attendance feel marginalised, worried or guilty about their low attendance rate; its impact on the pupil's own learning or the learning or rewards for the class as a whole.

14.2 The school will regularly review any reward systems to ensure they are not negatively impacting on individual pupils or groups of pupils.

14.2 Wootton Primary School is committed to promoting, supporting and maintaining high levels of attendance and punctuality. The school achieves this through celebrating good attendance in the weekly Head of School assembly, with the class achieving the highest attendance levels for the previous week, being allowed to look after "SAM", our School Attendance Mascot.

15 | Support for School Attendance

15.1 Communicating with parents/carers where attendance is a concern

When the school has concerns about the attendance of a pupil, staff will do their best to make the parents/carers aware of the concerns about their child's attendance in the most accessible way possible, communications will be provided in accessible formats and can be offered in different languages if requested.

15.2 Pupils who are reluctant to attend

- Sometimes pupils can be reluctant to attend. The school encourages parents/carers and pupils to be open and honest about the reason for the pupil's absence. If a child is reluctant to attend, it is never better to cover up their absence or for a parent/carer to give in to pressure to let the child stay at home. This can give the impression to the child that attendance does not matter and can make things worse. The school needs to understand the reasons why a pupil is reluctant to attend, in order to be able to support pupils and parents/carers in the best way.
- The school's aim is to work in partnership with parents and carers to remove barriers to good school attendance. Staff strive to establish good working relationships with the families of our pupils through good communication and regular meetings to address on-going attendance concerns. If necessary, staff signpost our families to specialist support services who can work with the family and school in a multi-agency approach.
- Where non-attendance is linked to anxiety or mental health, refer to [Mental health issues affecting a pupil's attendance: guidance for schools](#)

15.3 Child on Child Abuse

- All pupils have an absolute right to be educated in a safe and secure environment and to be protected from others who may wish to harm, degrade or abuse them physically, verbally, and emotionally both in person and online. There is no justification whatsoever for bullying behaviour and it should not be tolerated in any form. Differences including race, religion, gender, sexual orientation and ability are absolutely repudiated as reasons for bullying.
- The school recognises that a pupil may be reluctant to attend if they are experiencing any kind of child on child abuse. The school constantly strives to promote a positive and inclusive culture where all pupils feel valued, have a strong sense of 'belonging' and are fully supported if things go wrong.
- The school takes all reports of child on child abuse extremely seriously. All incidents will be investigated, appropriate measures will be taken for all pupils involved, including working with and making referrals to external agencies where appropriate.
- The school recognises that child on child abuse is a rarely-witnessed event, and that the most likely source of information will be through hearsay (either direct from the victim, or indirectly through witnesses or parents).
- If a parent/carer thinks their child is experiencing child on child abuse, or is concerned their child may be involved in peer on peer abuse in any way, they are encouraged to report this to the school as quickly as possible, so that appropriate measures can be taken.
- Please see the school's Anti-Bullying policy and Safeguarding and Child Protection Policy for more information on how peer on peer abuse is addressed.

15.4 Children in Care

- Foster Carers do not have parental responsibility for the children in their care, although they are responsible for ensuring their regular school attendance.
- If a Child in Care is not attending the academy, or there are concerns about their attendance, the school will seek advice from the Local Authority's Virtual School and the child's social worker, as well as communicating with the pupil and foster carer.

15.5 Disability Related Absence

- The school will ensure 'reasonable adjustments' are made for disabled pupils (defined as those with a 'physical or mental impairment which has a substantial and long-term adverse effect on that person's ability to carry out normal day to day activities'). This may include changes to the physical environment, curriculum or the way information is provided, as well as providing auxiliary aids and equipment, or tailored services.
- The school recognises that some disabled pupils may need additional support to attend regularly and that, for some pupils, they may have more absence due to their disability, for example due to attending medical appointments. The school will ensure disabled pupils are not penalised for absence related to their disability and will support the pupil and family to access support from external agencies where appropriate.
- The school will follow the guidance as laid out in [Arranging education for children who cannot attend school because of health needs](#)

15.6 Young Carers

The school recognises that pupils who are Young Carers may have caring responsibilities that impact on their punctuality and/or attendance. Young carers are recorded in the school census. Where this is the case the school will work with the pupil and family to encourage them to access appropriate support, including direct support from Young Carers and any other support the pupil and family may need; the school will also provide support in school where appropriate.

15.7 Parents who live separately

Where appropriate, the school will involve all parents/carers in order to ensure each are aware of their child's attendance pattern and are able to support the child's attendance to improve. Where a child lives with different parents/carers on different days the school will take this into consideration when working with the parents/carers.

15.8 Complex Family Circumstances

- The school will not usually request legal sanctions from the Local Authority in cases where poor attendance is symptomatic of complex family circumstances. In such circumstances the school will take a holistic approach to the issue and involve other agencies as necessary. The exception to this will be where parents/carers fail to accept or engage with support offered by the school and/or other agencies, or fail to implement the suggested changes. When referring for legal sanctions, the school will show that the parent/carer has been warned they are at risk of receiving a Penalty Notice or other legal sanction.
- If the school has safeguarding concerns about a pupil who is absent, staff will share information with other agencies as deemed necessary.

15.9 Formal non-attendance process

Where there are continued concerns about a pupil's attendance which are not resolved informally, parents/carers may be asked to meet with the school to discuss the matter more formally. In some cases, this may result in a formal action plan being produced. The school may also invite other involved professionals, where relevant.

16 | Leave of Absence – leave requests and sanctions for unauthorised absence

16.1 The law does not grant parents/carers the automatic right to take their child out of school during term time for holidays or other absence such as trips and visits.

16.2 The school will not authorise any leave of absence in term-time unless satisfied the reason for absence complies with paragraph 37 of [Working together to improve school attendance](#). The school will consider

each application individually, taking into account the specific facts, circumstances and relevant background context behind the request, and will not apply a blanket policy under which leave of absence is granted automatically in response to particular circumstances or events.

16.3 Parents/carers are asked not to make plans to take their child out of school without making a request to the school first. The request should be made by the parent/carer with whom the child normally lives.

16.4 Parents/carers wishing to request leave for their child should complete a Leave of Absence Request form which is available from the academy. The request should be submitted as soon as it is anticipated; and, wherever possible, at least four weeks before the absence.

16.5 Parents may be required to provide the school with additional evidence in order to support a leave of absence request.

16.6 The school will consider the individual facts and circumstances of the case - following consultation with other staff as required, including the Designated Safeguarding Lead (DSL).

16.7 A leave of absence is granted entirely at the academy's discretion (see paragraph 37 of [Working together to improve school attendance](#)).

16.8 The absence should be for the shortest time possible – if an absence is agreed, the Headteacher will decide how many days of absence will be authorised. If the pupil is absent for more days than were authorised by the academy, the remaining days absent will be recorded as unauthorised absence.

16.9 Any holidays and other absence such as trips and visits which have not been agreed by the school will be recorded as unauthorised.

16.10 Parents/carers should be aware unauthorised absence may result in a Penalty Notice or Prosecution. See 'Unauthorised Absence' section for more information.

16.11 If the school has any concerns about possible safeguarding risks, staff will follow the necessary protocols. (See the academy's Safeguarding Policy for more information.)

17 | Unauthorised Absence

17.1 Unauthorised absence is where the school is not satisfied with the reason given for the absence, or where no reason has been provided.

17.2 Unauthorised absences may result in Legal Sanctions, usually Penalty Notices or Prosecutions. See 'Penalty Notices and Prosecutions' section for more information.

17.3 Unauthorised absence includes (but is not limited to) absences due to:

- Reasons which have never been properly explained to the school
- Arriving at the school after the register has closed. (Although late arrival for a reason such as a medical appointment will usually be an authorised absence – see 'Medical / Dental Appointments' section for more information.)
- Shopping
- Having a hair-cut
- Birthdays

- Waiting at home for something to be fixed, or a parcel to be delivered
- Parent/carer's or sibling's illness (unless very exceptional circumstances apply and have been agreed in writing by the academy)
- Day trips
- Holidays in term time (unless exceptional circumstances are agreed in writing, in advance, by the school– see 'Leave of Absence' section).

17.4 Where the school has cause for concern about the actual reason for a pupil's absence, staff may seek additional information or evidence from parents/carers regarding the absence, and/or make a home visit in order to verify the reason. If the reason cannot be verified and the school has cause to believe the reason given for absence may not be genuine, parents/carers may be asked to provide satisfactory proof of the reason before the school authorises the absence. If satisfactory proof is not provided, the school may record the absence as unauthorised.

18 | Penalty Notices and Prosecutions

18.1 Under section 444 of the Education Act 1996, if a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school, his/her parent(s) are guilty of an offence. This applies to both resident and non-resident parents who may both be subject to legal sanctions if their child fails to attend school regularly. It also applies to others who may not be the parent but may have day to day care of the child. If an absence is not authorised by the academy, the pupil's attendance is deemed to be irregular.

18.2 Penalty Notices and prosecution proceedings are issued to each parent/carer with responsibility for the child and are issued for each child with unauthorised absence. For example, in the case of Penalty Notices, if two siblings have unauthorised absence, and there are two parents/carers with responsibility for the children, four Penalty Notices would be issued.

18.3 The school will refer cases of unauthorised absence that meet the threshold for a Penalty Notice to the Local Authority for legal action, unless there are reasonable grounds for not doing so. This will include unauthorised absence due to term time holiday or other trips/visits, and other types of unauthorised absence. When referring for legal sanctions, the school will show that the parent/carer has been warned they are at risk of a Penalty Notice or other legal sanction. The outcome of a referral to the Local Authority may be a Penalty Notice or Prosecution.

18.4 Information pertaining to the new national framework which sets out when schools will have to consider issuing penalty notices and relevant fines can be found in [The Education \(Penalty Notice\) Regulations 2024](#)

19 | Mental Health, Wellbeing, Special Educational Needs and Disability

Under the Equality Act 2010, schools are required to make 'reasonable adjustments' for disabled pupils (defined as those with a 'physical or mental impairment which has a substantial and long-term adverse effect on that person's ability to carry out normal day to day activities.' Some specified medical conditions, HIV, multiple sclerosis and cancer are all considered as disabilities, regardless of their effect.) This may include changes to the physical environment, curriculum or the way information is provided, as well as providing auxiliary aids and equipment, or tailored services. Failure to make appropriate adjustments may impact on a pupil's attendance.

Need	Action	Contact information
Mental health and wellbeing	Parents/carers who have concerns about their child's mental health and wellbeing can contact the academy's Designated Safeguarding Lead (DSL)	Phone or email DSL 01234 768239 wendy.burnett@woottonprimary.co.uk

Identified special educational needs or disability	Parents/carers are encouraged to contact the academy's Special Educational Needs Co-ordinator (SENCO) should they have any concerns about their child. Any pupils with SEND should have attendance issues considered as part of their individual support plans or Education Health and Care Plans; attendance should be part of any subsequent reviews.	Phone or email SENCO michael.wilby@woottonprimary.co.uk 01234 768239
Unidentified SEND	Parents/carers who think their child may have unidentified special educational needs are also encouraged to contact the academy's SENCO.	Phone or email SENCO michael.wilby@woottonprimary.co.uk 01234 768239
Urgent health concerns	Parents/carers should contact their GP or the NHS Helpline by phoning telephone number 111 for advice if they are concerned about their child's mental or physical health and wellbeing. In case of emergency parents/carers should dial 999. After seeking emergency advice and support, parents should also let the school know as soon as is practicable.	Phone GP/111/999
Health needs impacting on attendance	If a pupil is frequently absent from the school due to particular health need/s the school may ask to meet with parents/carers (and other professionals where appropriate) to draw up an Individual Healthcare Plan to support the pupil's attendance. See the academy's Supporting Pupils with Medical Conditions Policy for more information. [Insert link]. Also see DfE guidance Supporting pupils at school with medical conditions - December 2015 and Mental health issues affecting a pupil's attendance for more information. 20 | Phased Return to Full-Time Education

20.1 In line with the expectations of the Department for Education, all pupils of compulsory school age are entitled to a full-time education, suitable to their age, ability and aptitude, and any special educational needs or disabilities that they may have.

20.2 In very exceptional circumstances there may be a need for a temporary reduced timetable to meet a pupil's individual needs. For example, where a medical condition prevents a pupil from attending full-time education and a reduced timetable is considered as part of a re-integration package. **A reduced timetable should not be used to manage a pupil's behaviour.**

20.3 If, for any reason, the school is unable to provide a pupil with a full-time education due to the pupil's needs, staff will work with the pupil, parents/carers and other agencies where appropriate, to come to an arrangement

that is deemed to be in the best interests of the child wherever possible. In line with the DfE's guidance on 'Providing remote education', remote education will only be used as a last resort and where it forms part of a clear reintegration plan back to full-time attendance.

20.4 Any reduced timetable should be in place for the shortest amount of time possible, it must not be treated as a long-term solution. It should be reviewed at least every two weeks, whilst arrangements are made to support the pupil's return to full-time education at the school or, where appropriate, at alternative provision.

20.5 A decision to place a pupil on a reduced timetable should be approved by the Headteacher and must be agreed by the parents/carers. The SENCO and DSL, as well as any other relevant members of staff, should also be aware of such arrangements and involved with decision making where appropriate. Discussions and agreements should be clearly documented in writing and relevant information should be recorded in the Management Information System (Bromcom) and CPOMS. The school will be mindful of any additional safeguarding risks to the pupil when they are not timetabled to attend school and will therefore consider carefully whether a reduced timetable is an appropriate measure.

20.6 If the pupil's reduced timetable means the pupil is expected to arrive at the school after the register closes in the morning and/or be absent for the academy's afternoon registration period, any such am and/or pm registrations must be recorded with the **C2** code: 'Leave of absence authorised by the school'.

21 | Approved Educational Activity (AEA)

21.1 When pupils are attending educational activities off the school site that have been approved by the school, the register will be marked to show this is the case. (See [Working together to improve school attendance](#) for more information.)

21.2 Approved Sporting Activity

If a pupil is participating in a supervised sporting activity off the school site, which is of an educational nature, approved by the school and supervised by someone authorised by the Headteacher, such activity should be marked using the **P** code: 'Approved Sporting Activity'.

21.3 Alternative Education Provision

- Attendance staff in the school will be notified of Alternative Provision (AP) arrangements and updated about any changes in arrangements, so they can ensure the academy's registers are marked accordingly. Attendance staff and other relevant colleagues will communicate closely with the AP setting.
- The school will follow up with pupils and parents/carers on any attendance concerns, in conjunction with the AP.
- If a pupil is only being offered part-time AP, the school will ensure the pupil is offered additional educational provision, which together with the AP equates to a full timetable, unless there are exceptional reasons why not. Pupils will only be offered part-time educational provision for the shortest time possible and this will be regularly reviewed with the pupil and parents/carers with the aim of the pupil accessing full-time education as quickly as possible.

21.4 Alternative Education Provision: Dual Registration and use of the D code

- If a pupil from the school is attending another state-funded DfE registered school, Pupil Referral Unit or Alternative Provision Academy, for part or all of their education, the pupil will be dual registered at this school (Dual - Main) and the other setting (Dual - Subsidiary).
- If a pupil is attending an AP which is not a state-funded DfE registered school, Pupil Referral Unit, or Alternative Provision Academy, the pupil cannot be dual-registered; examples are Impact Mentoring and Education 1st. See 'Off-site educational activity (**B** code)' section, for more information.
- When a pupil from the school is dual registered with another setting, the school will ensure the pupil and parents/carers are clear about the pupil's timetable; i.e. when the pupil is expected to attend the school or the other setting, and what the arrangements are for register marking, including the use of the **D** code. The school will also be clear which setting will be following up any absences. Where pupils are dual-registered,

the AP should provide the school with attendance updates weekly, unless otherwise agreed with the alternative setting. However, if attendance and/or safeguarding concerns are identified at any point, the AP is expected to raise these with the school immediately and a course of action will be agreed in writing between the school and the AP.

- A dual registered pupil must not be removed from either setting's roll without the agreement of the other setting.

21.5 Alternative Education Provision: Off-site direction/educational activity (K and B codes)

- Where the AP placement has been arranged by the Local Authority, rather than the school themselves, **K** code should be used (see table below).
- If a pupil is attending an AP setting that has been arranged by the school (and the pupil is not dual registered), **B** code should be used.
- The school will mark any sessions attended at the off-site provision with the relevant present code, and any absences with the relevant absent code. Such APs should provide attendance updates daily, unless otherwise agreed, so the school can mark the register accordingly.
- Some AP settings are registered as Independent Schools and, as such, are able to offer full-time provision where required. However, some AP settings are not registered schools and are therefore only legally allowed to offer part-time education to pupils.
- Unless otherwise agreed with the AP, the AP is expected to notify the school by 10am on the morning of any individual pupil absences, to ensure the school is made aware of any attendance concerns as soon as possible and takes follow up action as necessary.
- If attendance and/or safeguarding concerns are identified at any point, the AP is expected to raise these with the school immediately and a course of action will be agreed in writing between the school and the AP.
- Where a pupil is placed off-site under the statutory off-site direction power (from 26 July 2026), this school will follow the notice periods and review meeting arrangements set out in the CLT Behaviour Policy, and will use the attendance codes set out above to record their sessions.

21.6 Managed Moves

- A Managed Move (MM) is a permanent transfer to another school, agreed voluntarily by all parties – including parents/carers and the admission authority of the receiving school – and must only take place when it is in the pupil's best interests. The law does not allow for 'trial' managed moves or dual registration during a MM. At the point of the move, the pupil's name is removed from the sending school's admission register and added to the receiving school's register.
- If a pupil from this school moves to another school under a MM, this school will remove the pupil from its roll and admission register with effect from the agreed transfer date, and will share relevant attendance and safeguarding information with the receiving school in advance of the move.
- If a pupil from another school moves to this school under a MM, this school will add the pupil to its roll and admission register from the agreed transfer date and will follow up any absences in the same way as for all other pupils at this academy.
- Where a pupil has an EHC plan, this school will contact the local authority before any managed move. Where a pupil has a social worker, the social worker and Designated Safeguarding Lead will be notified as soon as a managed move is being considered; where the pupil is looked-after, the relevant Virtual School Head will also be notified.
- Managed moves are separate from the Fair Access Protocol (FAP) process. A pupil undergoing a managed move must not be admitted ahead of pupils on a waiting list unless the school's oversubscription criteria are met.

22 | Unable to attend due to exceptional circumstances (as set out in DfE guidance)

In accordance with the [Working together to improve school attendance](#) the school will record pupils as code Y (specific codes available according to circumstances) 'Unable to attend due to exceptional circumstances' in the following circumstances (such circumstances are not recorded as absences):

- The school site, or part of it, is closed due to an unavoidable cause
- The transport provided by the school or the Local Authority is not available and the pupil's home is not within statutory walking distance. (See the DfE's ['Home to school travel and transport'](#) guidance document or ask the school for a printed copy.)
- A local or national emergency has resulted in widespread disruption to travel which has prevented the pupil from attending the academy.
- The pupil is in custody, but still on the academy's roll. (If the school has evidence that the pupil is attending educational activities, those sessions can be as 'present at approved educational activity').

23 | Children Missing Education (CME) and removing pupils from roll

Wootton Primary School adopt Bedford Borough Children's Service Children Missing Education Policy and Procedures, which outlines the responsibilities of all educational provisions. The schools responsibilities are as follows:

- Children are entered on the admission and attendance register from the beginning of the first day on which the school agreed, or been notified, that the learner will attend the school. If the child fails to attend on the agreed or notified date, the school must establish the reason for the absence and mark the attendance register accordingly.
- The school will make timely referrals to the Educational Welfare Service (EWS) using the threshold criteria agreed in the Service Level Agreement. The school will report any continuous pupil absences, greater than 10 school days, where no reason is given. (Regulation 12 Education (Pupil Registration) England Regulations 2006).
- The school can only delete a child's name from the register as laid down in Regulation 8 Education (Pupil Registration) England Regulations 2006 amendment Regulations 2016. The school will keep evidence that supports the reason to delete a child from roll, including, any documents supporting a move to another school and/or proving their whereabouts which justifies their removal from the school roll.
- When the school remove a pupil from its roll (other than normal transfer process), the school must complete the online Notification of Removal from School Roll. Should a school remove a pupil from roll in contravention of the Education (Pupil Registration) England Regulations 2006 amendment Regulations 2016, schools will be advised to reinstate the pupil onto the school roll.
- Where a child, due to start or transfer school across phase, does not arrive, the school will try to make contact with the parent within 7 days (they should also contact school admissions in case the child is registered elsewhere). Unless the parent has refused the school place offered the child should be placed on the school roll from the expected start date. If after 10 days the child fails to arrive, the school should refer to the EWS as a **Possible Missing Child**. If the child is subject to a child protection plan the school must contact Integrated Front Door (IFD) immediately.

24 | Reporting to Parents/Carers

The school will include each pupil's attendance information in their report annual and provide parents/ carers with a copy of their attendance summary for the year in Term 6. If parents/carers wish to see a copy of their

child's attendance summary at any other time during the year, they can ask for a printed copy at the school office. Attendance can also be seen by parents and carers on the My Child at School (MCAS) app.

Where a pupil's attendance drops below 97%, the school may contact parents/carers to highlight this, unless there is a good reason not to.

25 | Recording Information on Attendance and Reasons for Absence

25.1 All absences are recorded in the academy's attendance register in the Management Information System, Bromcom. Information about the reason for the absence, how it was reported and by whom, and any additional information pertinent to the absence may also be recorded.

26 | Policy Monitoring Arrangements

26.1 This policy will be reviewed every two years by the Headteacher, or more frequently if there are changes to legislation and guidance. At every review, the policy will be shared with the LGB.

Appendix 1

Appendix 3 – Importance of Good School Attendance Poster

Appendix 3 – Importance of Good School Attendance Parent Letter Examples

Dear Parent/Carer

The Importance of Good School Attendance

I would like to remind you about the importance of good school attendance and punctuality.

As a school we take attendance very seriously. Every missed lesson means a child academically falling behind.

Unsurprisingly, research shows that children with better school attendance achieve better outcomes. There are 175 non - school days per year for holidays, cultural experiences and family time. It may be useful for you to know the implications of your child's attendance figures.

Above 97%	Excellent Attendance. Less than 3 days absence in an academic year.
96%	Good Attendance Less than 9 days absence in an academic year. Wootton Lower School attendance target for all children is 96%
90 – 95.9%	Low attendance – slight concern 10 to 18 days absent each year - at risk of becoming a "Persistent Absentee"
Below 90%	Persistent Absentee 19 days absence in an academic year. Children will have missed 90 lessons. Children with 90% or below are classed as being persistently absent from school and parents of children with this level of attendance may be issued with a Penalty Notice from the Local Authority

Reporting an absence

- All absences must be reported before 10am each day by notifying the school
- If you know your child is going to be absent, please let us know in advance
- Unexplained absences will be unauthorised by the school
- Absences of 5 or more days must be supported by medical evidence.
- Absences of 5 or more days without supporting evidence will not be authorised

Your child should come to school every day.

- Receiving a good full time education gives your child the best possible start in life
- Excellent attendance and punctuality is encouraged and rewarded
- If your child has to miss school, you must contact the school office as soon as possible and by 10am at the latest on each day of absence

Our **Attendance Team** monitors attendance very closely and will liaise with parents who need advice and support. Please contact the school office if you wish to discuss any issues relating to attendance and your child.

The Law, Penalty Notices and Fines

- Parents of children between 5 and 16 years of age are legally bound to ensure their child receives an appropriate full time education; i.e. regular attendance at school
- Penalty notices can be issued to parents of children who have had unauthorised absences of 5 or more days within a 12 week period and who have not co-operated with the Education Welfare Service. The fine attached to a penalty notice is **£60** if paid within 21 days, rising to **£120** thereafter. Each parent may receive a penalty notice.

Holidays During Term Time

Please contact the school office for an application form for leave of absence no less than 4 weeks prior to the period of leave requested.

It is important to inform the school of any holidays, as we will try to contact you if your child is not in school. If we cannot make contact, and in line with our safeguarding procedures, we will liaise with the Education Welfare Officer and make a 'child missing in education' referral.

We carry out regular checks of our registers and identify any unauthorised absences and high numbers of sickness absences. We may contact you to discuss your child's absence, and where unauthorised absences are concerned, will decide whether a Penalty Notice is appropriate.

Lateness

Arriving late to school is very disruptive for your child, their classmates and their teacher.

- Children who are late miss vital input from their teachers.
- If you know your child is going to be late please notify the school office. You may be asked for evidence if the lateness is due to an appointment

Children at Bedford Road can be dropped off between 8.45 and 9.00. A 'late' mark will be given if your child arrives after 9.10. If your child arrives after 9.30 they will receive a 'U' in the register which is equivalent to an unauthorised absence

Children at Harris Way can be dropped off between 8.35 and 8.45. A 'late' mark will be given if your child arrives after 8.55. If your child arrives after 9.15 they will receive a 'U' in the register which is equivalent to an unauthorised absence.

If your child is late to school please ensure you fill in the 'late' book in the school office, stating the reason for the lateness.

Please do not hesitate to contact the school if you need any further information or support regarding your child's attendance.

Thank you for your continued support.

Kind Regards

Dear (parent/carer name),

We are writing to advise you that your child's persistent lateness at school continues to cause concern. To date he/she has been late on XXX occasions.

As a school, we actively discourage late arrivals as it disrupts not only your child's continuity of learning, but also that of others in the class. We are also asked by the Local Authority, not to authorise any late arrivals after the close of registration even though they are on site. This will potentially affect (child's name) overall attendance percentage.

Please take a look at the information below to understand more about the importance of punctuality.

If you are currently experiencing some difficulties that prevents (child's name) arriving on time, please do not hesitate to contact us. We will be more than happy to support you to try and get (child's name) to school on time.

Yours sincerely,

Mrs xxxxx
